

St John the Baptist, Letton Condition/ remarks

Tree no.	Common name	Trunk	Crown	Root/basal area defects	Remedial work required/recommended
1	False Acacia	forked			Watch ivy
2	Hawthorn		Some dead wood		Watch ivy
3	Holly				Trim lower branches to show the yew and ease access around the churchyard
4	Holly				
5	Holly			Root suckers	
6	English yew				Trunk has been pruned at different times, but is very healthy.
7	Holly	Some rot			Obscuring some graves
8	Lawson cypress				Nos. 8 - 11 very close grown. Recommend removal of 7 - 11 as priority three
9	Lawson cypress				
10	Lawson cypress				
11	Lawson cypress
